Newark, N. J.

Dear Mrs. Manley:

I just received the rain insurance rate for Sunday, May 3, so I'm forwarding it along to you immediately, as the order for the insurance must be placed by this Saturday, accompanied by a check.

The rate is the same as last year for the equalivalent date, \$8.45 per \$100, on the three hour basis, and on the requirement of 1/20th of an inch of rain.

You can select whatever hours you want, but just as a point of information, last year policies were for 12 noon to 3 P.M. Of course this was for doubleheaders, so if you wish to change the three hour period, just let me know.

Be sure to answer this letter at once, so I have a reply by Saturday, and advise the amount of insurance you want, the hours, and enclose a check for the premium. Last year you had \$500, in case you want this information.

Awaiting your advice, and with best wishes and regards, I am

Sincerely,

Ed. Gottlieb
